PLAN ANALYTICS

WHY CHOOSE PLAN ANALYTICS

PROVEN RESULTS

- Our RANA-3 AI platform delivered for a major UK infrastructure project with 1,500+ activities and tight deadlines.

- The app built the programme in days, not weeks, saving over 100 hours of planning effort while ensuring full NEC compliance.

SMART SOLUTIONS

- RANA-3 – AI-assisted programme generation & benchmarking.

- Autonarrative – Instant NEC-compliant programme reports.

TRUSTED EXPERTISE

- Experience on £10bn+ infrastructure portfolios.

- Trusted by leading contractors and consultants.

- Unique blend of consultancy expertise with AI-driven applications.
