About SME Zone

The Subject Matter Expert Zone at the Project Controls Expo provides a platform for delegates to engage in 15-minute one-on-one sessions with industry-leading subject matter experts (SMEs).

These sessions aim to provide expert guidance on project controls, career growth, and industry trends, ensuring a purely technical and knowledge-sharing experience.

Why Participate?

- ▶ Access expert advice on project controls, career growth, and industry trends.
- ▶ Quick, impactful discussions with SMEs.
- ▶ Enhance learning and networking experience.

What is Subject Matter Expert Zone?

- ▶ **Clear & Valuable Insights**
Fast, Focused Insights—no sales pitches, just valuable discussions.
- ▶ **Quick Expert Access**
Attendees can register for a 15-minute slot with Subject Matter Experts.
- ▶ **Insights & Expertise**
Gain insights, career guidance, and technical expertise.
- ▶ **For All Professionals**
Open to professionals at all levels.

Process Instructions

Purpose: PCE is offering its platform to facilitate conversations between delegates and Subject Matter Experts (SMEs) for:

- ▶ Professional growth of individuals
- ▶ Development of the overall profession
- ▶ Supporting our mission in alignment with our vision

Platform Usage: PCE's platform can be used to host or continue these conversations.

Delegate-SME Interaction:

- ▶ Delegates are encouraged to connect with SMEs on LinkedIn.
- ▶ They can initiate conversations directly on LinkedIn.

Support:

- ▶ If anyone experiences communication issues, they are encouraged to reach out to the PCE team at USA@projectcontrolexpo.com

At PMO Global Alliance (PMOGA), we are a dynamic community committed to elevating the practice and profession of project management offices (PMOs) around the world. Our community offers a wide range of resources designed to strengthen PMO capabilities and support ongoing professional growth. PMOGA's community empowers both current and aspiring PMO professionals—as well as project managers—to earn the PMI® Project Management Office Certified Professional (PMI-PMOCP)™ credential. This globally recognized certification demonstrates our expertise and dedication to excellence in PMO practices.

By engaging with PMOGA and participating in its Regional Hubs, we unite around a shared vision: to drive PMO excellence, connect with professionals across the globe, and deliver meaningful organizational outcomes. Guided by global innovation and a commitment to sustainable growth, we are empowered to achieve better project results, shape the future of the PMO profession, and make a lasting impact. Through PMOGA's online platform, we engage in dynamic discussions, access a comprehensive library of tools, frameworks, and best practices, and enhance our capabilities through webinars, workshops, and conferences led by industry experts.

From the beginning, PMOGA has been shaped by visionary leadership. Managing Director Americo Pinto describes the organization as a force of “innovation and value creation for organizations and society,” underscoring its mission to build thriving PMO communities around the world—fostering both professional development and societal impact.

The International Cost Estimating and Analysis Association is a nonprofit organization that strives to promote and to enhance the profession of cost estimating and analysis with the primary goal of fostering the professional growth of our members in cost estimating, cost analysis, and allied fields. ICEAA is represented locally by more than 20 chapters nationwide and international affiliates in Australia, Canada, Japan and the United Kingdom.

Membership is open to all interested individuals from all levels of expertise from the government, private sector and academia. ICEAA members enjoy a valuable suite of member benefits, including:

- Free access to ICEAA's online Cost Estimating Body of Knowledge (CEBoK® v2.0) a user-friendly cost estimating and analysis training resource, with information organized into 16 interactive modules within five general subject areas
- Discounted registration to the annual Professional Development & Training Workshop, an annual training event that brings together industry experts for a dynamic three-day informational environment
- Eligibility to submit articles and papers for publication in both ICEAA World and the Journal of Cost Estimating & Parametrics
- Discounted fees for the PCEA®, SCEC, and CCEA® certification exams, a requirement for achieving ICEAA's professional credentials that establish holders' ability to produce accurate cost estimates and analyses

The slide features the ICEAA logo at the top left, followed by the text "International Cost Estimating and Analysis Association". Below this is the tagline: "A community of estimators and analysts focused on cost, risk, scheduling, data science, machine learning, AI, and more." The central image shows a man in a dark suit and blue shirt speaking at a podium with the ICEAA logo. At the bottom of the slide, the website "www.iceaaonline.com" is displayed.
